To Whom it May Concern:

I'm delighted to write this letter of recommendation for Tanvi Mallikarjuna Marchad Goud, who was an invaluable assistant to my runway backstage area for designer shows and presentations organized by Totem Fashion during Paris Haute Couture Week, January 2024.

I was impressed with how knowledgeable, prompt and hard working she was. Her overall performance showed creativity and a serious and responsible attitude towards the tasks assigned with significant attention to detail. She was a dedicated intern who stands out among her peers for her ambition and enthusiasm. Working as part of a group in a high pressure environment, I was delighted to see them work together as a team whilst complementing one-another. Although she is very serious and motivated in her pursuit for quality experience, she is also very humble and willing to listen to others' ideas. I observed there was a constant desire to learn more and strive for perfection.

I'm confident that Tanvi has the potential for a promising career in fashion. She offers an engaging personality and a strongly motivated devotion to her work. It is for these reasons that I envision a bright future for her in the fashion industry.

Should you wish to contact me, my info is below.
